Feedback:

- The education program and internship opportunities we have got during our academic year were very helpful as they enhanced our abilities of social communication, understanding, acceptance and innovation in teaching and learning process.
- The course provides quality skills and knowledge
- Overall curriculum is Excellent

Suggestions

- The assignments and the submission could have been more interestingly designed rather than writing huge files in the name of report. There are minor aspects which can be immensely improvised with the synchronization of curriculum designers and the approach in syllabus.
