Subject: Requesting permission to conduct Internship program in your school for 8 weeks.

Dear Sir/Madam,

This is to request you to extend your cooperation to us in conducting our internship program in your school this academic year. For this semester we have to complete total 8 weeks of internship. So we would like to start internship program from 20/09/19 to 19/10/2019. 4 weeks will be before Diwali vacation & 4 weeks after Diwali vacation tentative from 18/11/19.

5-9 students would be placed in your school for internship. A professor would be accompanying them every time and would be supervising their activities. The students are expected to learn various duties & responsibilities of teacher, practice educational transaction, understand the functioning of a school & continuous comprehensive evaluation.

Students should complete following activities within 8 weeks of Internship Program.

- Student has to plan and conduct 4 practice teaching lessons per subject (in all 8 lessons)
- Taking attendance of a class for one month and preparing report.
- Assessing home work/assignments/ journals of a class of both subjects.
- Planning and conducting 5 lessons per subject on any one unit through applying constructivist principles. (in all 10 lessons)
- Preparing and implementing a unit test.

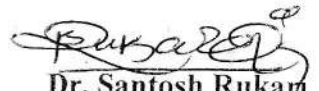

We would be highly obliged if you would give a copy of your time table to our staff member for classes 6th to 9th so that we would be able to organize our time table without disturbing the school time table.

We are looking forward to your cooperation in this endeavour to produce best possible teachers.

Dear Sir/Madam,

This is to thank you for participating in our teacher education program by permitting our students to complete their internship in your school. Internship in your school has helped our students to gain exposure to learn practical knowledge, personality development, understanding child psychology conducting, action research and also enabled a good interaction with experienced teachers.

The total internship program in 2 years B.Ed. curriculum is for 5 months. We are banking on you to help us in this symbiotic process where the Teacher Education College need to work hand in hand with the schools for preparation of teachers who are essential to the society in educating its young generation. The next tentative phase of students, internship will be in the month of August.

Once again we would like to thank you for offering us the internship school. We request you to extend the same cooperation to us in future as well.
