Sir,

It was a great pleasure for me to join SNDT Women's University as Vice-Chancellor on 3<sup>rd</sup> July 2016 and I considered that as blessings of Bharat Ratna Maharshi Dhondo Keshav Karve. Indeed it was a great challenge and opportunity as well to work in such a wonderful and first Women's University in entire South East Asia.

I was completely aware about the journey and stumbling blocks across it but as I had to take on board, I was fortunate enough to get moral as well as mental support from people like you who have made it possible for me to convert it into an accomplishment. The motto of the University "An Enlightened Woman is a source of infinite strength "संस्कृता स्त्री पराशक्ति", was the guiding force for me and your words helped me a lot to work intrinsically for the betterment of the University.

I will be completing my journey in this university on 2<sup>nd</sup> July, 2021. I consider myself to be very fortunate to have your support whenever I needed it. I am humbled and grateful to you all, I'll never forget your support and kindness.

I take this opportunity to express my sincere thanks to you. I would remain available for any contribution which is needed. My contact number is 9850399818, email : shashiljari@gmail.com

Thanking you once again

With deep regards,

(Dr.Shashikala Wanjari)
