

COMPETITIVE EXAMINATION CELL REPORT

Academic Year 2024–25

1. Brief Introduction

The **Competitive Examination Cell of AICESR** works towards creating awareness and providing systematic academic guidance to student-teachers preparing for various competitive and entrance examinations. The Cell organizes expert sessions, workshops, mock tests, webinars and examination-oriented programmes related to **NET, SET, CTET, TET, MH CET and ELCT**. The activities aim to strengthen conceptual understanding, examination skills, career awareness and confidence among B.Ed. students and aspirants.

During the academic year 2024–25, the Cell conducted a series of academic and competitive examination-oriented activities involving experienced academicians, subject experts, master trainers and institutional faculty.

2. Major Achievements

The major achievement of the Competitive Examination Cell during 2024–25 was the successful organization of a **National-Level NET/SET Workshop**, conducted over seven academic sessions along with inaugural and valedictory programmes. The workshop covered important areas including **General Paper I, Comprehension, Mathematical and Logical Reasoning, Communication, ICT, Research Methodology and Teacher Aptitude**.

The Cell also conducted a **CTET and TET Workshop with Mock Test**, a **three-day webinar on Career Opportunities after B.Ed.**, and an **MH CET and ELCT Crash Course followed by Mock Test**. These initiatives provided students with structured examination preparation as well as career-oriented guidance.

3. Total Number of Activities Conducted

Total Number of Activities: 5

4. Activity-wise Details

1. Expert Session on Study Habits

Date: 5th July 2024

Resource Person:

Mr. Raviraj Panchakshari, HM, ISC Commerce, Ashoka Junior College, Nashik

Brief Description:

An expert session on **Study Habits** was organized to help student-teachers develop effective and disciplined study practices. The session focused on time management, regular study routines, concentration and effective learning strategies. The resource person guided students on developing positive academic habits for improved learning outcomes. The session encouraged students to adopt systematic approaches to their studies.

Outcome:

Students gained awareness of effective study practices and strategies for managing their academic responsibilities efficiently.

2. CTET and TET Workshop followed by Mock Test

Date: 10th to 15th October 2024

Resource Persons:

AICESR Faculty Members

Brief Description:

A workshop on **CTET and TET** was organized to provide student-teachers with focused preparation for teacher eligibility examinations. The sessions covered important examination areas and provided guidance on preparation strategies and question-solving techniques. A mock test was conducted to provide students with examination practice and assess their level of preparedness. The activity helped students identify areas requiring further improvement.

Outcome:

Students became familiar with the examination pattern and strengthened their confidence through focused preparation and mock-test practice.

3. National-Level NET/SET Workshop – Inauguration

Date: 17th December 2024

Resource Person:

Dr. Vilas Nandavadekar, Registrar, SNDT Women's University, Mumbai

Brief Description:

The National-Level **NET/SET Workshop** was inaugurated to provide structured guidance to aspirants preparing for competitive examinations. The inaugural programme highlighted the importance of systematic preparation, academic commitment and continuous learning. Dr. Vilas Nandavadekar addressed the participants and encouraged them to pursue their academic and professional goals. The programme marked the beginning of a comprehensive seven-day examination-oriented workshop.

Outcome:

Participants received motivation and guidance for undertaking systematic preparation for NET/SET examinations.

4. National-Level NET/SET Workshop – Day 1

Topic: General Paper I Guidance

Date: 17th December 2024

Resource Person:

Prof. Gokul More, Assistant Professor, Samarth B.Ed. College, Nashik

Brief Description:

The first academic session of the NET/SET Workshop focused on **General Paper I**. The resource person provided guidance regarding important concepts, examination requirements and preparation strategies. Participants were introduced to effective approaches for studying and answering questions from General Paper I. The session helped students understand the scope of the paper and plan their preparation.

Outcome:

Participants developed greater awareness of General Paper I and examination-oriented preparation strategies.

5. National-Level NET/SET Workshop – Day 2

Topic: Comprehension

Date: 18th December 2024

Resource Person:

Dr. Priti Sonar, IQAC Coordinator, AICESR

Brief Description:

The second session focused on **Comprehension**, an important component of General Paper I. The session addressed techniques for understanding passages, identifying key ideas and answering comprehension-based questions accurately. Participants were guided on improving reading efficiency and analytical understanding. The activity provided practical strategies for handling comprehension questions within the examination time.

Outcome:

Students enhanced their comprehension and analytical skills and gained confidence in attempting comprehension-based questions.

6. National-Level NET/SET Workshop – Day 3

Topic: Mathematical and Logical Reasoning
Date: 19th December 2024

Resource Person:

Prof. Amit Bhalerao, Master Trainer of Competitive Exams, Nashik

Brief Description:

The third session focused on **Mathematical and Logical Reasoning**. The resource person explained important reasoning concepts and provided examination-oriented approaches to solving numerical and logical problems. Participants were encouraged to improve accuracy, speed and analytical thinking through practice. The session provided practical guidance for approaching reasoning questions effectively.

Outcome:

Participants strengthened their problem-solving, logical reasoning and numerical abilities required for competitive examinations.

7. National-Level NET/SET Workshop – Day 4

Topic: Communication
Date: 20th December 2024

Resource Person:

Dr. Santosh Khirade, K.B.C. North Maharashtra University, Jalgaon

Brief Description:

The fourth session focused on **Communication** as a component of General Paper I. The session covered important concepts related to communication processes, models and principles relevant to the examination. The resource person provided conceptual clarity and examination-oriented guidance. Participants were encouraged to apply their understanding while solving communication-based questions.

Outcome:

Students developed a clearer understanding of communication concepts and improved their preparedness for related examination questions.

8. National-Level NET/SET Workshop – Day 5

Topic: Information and Communication Technology
Date: 21st December 2024

Resource Person:

Dr. Ganesh Mudhegaonkar, Assistant Professor, Sangameshwar College; Master Trainer of Competitive Exams, Solapur

Brief Description:

The fifth session focused on **Information and Communication Technology (ICT)**. The resource person explained important ICT concepts and their relevance to General Paper I. The session helped participants understand key terminology, applications and examination-oriented areas of ICT. Participants received guidance on effective preparation and question-solving strategies.

Outcome:

The session enhanced participants' understanding of ICT concepts and their confidence in attempting ICT-related questions.

9. National-Level NET/SET Workshop – Day 6

Topic: Research Methodology

Date: 23rd December 2024

Resource Person:

Dr. Parmeshwar Biradar, QAG Head, AEF, Higher Education

Brief Description:

The sixth session focused on **Research Methodology**, an important area of NET/SET preparation. The resource person discussed key research concepts, processes and methodological aspects relevant to competitive examinations. The session helped participants strengthen their conceptual understanding of research and its application. Examination-oriented guidance was provided to support effective preparation.

Outcome:

Participants developed better conceptual clarity regarding research methodology and improved their preparedness for research-related questions.

10. National-Level NET/SET Workshop – Day 7 and Valedictory Function

Topic: Teacher Aptitude and Valedictory Programme

Date: 24th December 2024

Resource Persons:

- **Dr. Sanjeevani Mahale**, Director, School of Education, YCMOU, Nashik
- **Dr. N. R. Telrandhe**, Administrator, AEF, Nashik

Brief Description:

The final academic session focused on **Teacher Aptitude**, followed by the valedictory function of the National-Level NET/SET Workshop. Dr. Sanjeevani Mahale provided guidance on teacher aptitude and important examination areas. The valedictory programme provided an opportunity to reflect on the learning gained during the workshop. The

programme concluded with encouragement for continued preparation and academic development.

Outcome:

Participants strengthened their understanding of teacher aptitude and concluded the workshop with greater confidence and motivation for NET/SET preparation.

11. Three-Day Webinar on Career Opportunities after B.Ed. – Day 1

Topic: New Challenges in the Field of Education

Date: 9th January 2025

Resource Person:

Dr. Vaibhav Jadhav

Brief Description:

The first day of the three-day webinar focused on “**New Challenges in the Field of Education.**” The resource person discussed emerging developments and challenges influencing the education sector. The session encouraged student-teachers to understand changing professional expectations and prepare themselves for emerging opportunities. It helped participants develop a broader perspective regarding their future careers in education.

Outcome:

Students gained awareness of emerging challenges in education and the changing competencies required for educational professionals.

12. Three-Day Webinar on Career Opportunities after B.Ed. – Day 2

Topic: Career Opportunities in the Field of Education

Date: 10th January 2025

Resource Person:

Dr. Meena Kute

Brief Description:

The second day of the webinar focused on **career opportunities in the field of education.** The session provided information about different professional pathways available to B.Ed. graduates. Dr. Meena Kute guided participants regarding career possibilities and the skills required for professional growth. The session supported students in exploring diverse opportunities beyond traditional teaching roles.

Outcome:

Participants gained greater awareness of career pathways available after B.Ed. and the competencies required for professional development.

13. Three-Day Webinar on Career Opportunities after B.Ed. – Day 3

Topic: Online Education for Professional Development

Date: 11th January 2025

Resource Person:

Dr. Kavita Salunkhe

Brief Description:

The third day focused on **Online Education for Professional Development**. The session highlighted the role of online learning, digital platforms and continuing education in professional growth. Participants were guided on utilizing online learning opportunities to upgrade their knowledge and skills. The session encouraged student-teachers to pursue continuous professional development through digital resources.

Outcome:

Students developed awareness of online learning opportunities and their role in lifelong learning and professional advancement.

14. MH CET and ELCT followed by Mock Test

Date: 24th to 26th March 2025

Resource Persons:

AICESR Faculty Members

Brief Description:

An **MH CET and ELCT preparation programme** was conducted to support students preparing for entrance and eligibility-related examinations. The sessions focused on important examination areas and preparation strategies. A mock test was conducted to provide students with practical examination experience and identify areas requiring further preparation. The activity helped students improve their readiness and confidence for the examinations.

Outcome:

Participants gained examination-oriented practice, improved their familiarity with the test pattern and identified areas for further academic preparation.
