Event Report

Name of the Activity : Elite Club badges Distribution

Date : 10/11/2025

Resource person : -

Brief intro of Resource Person: - -

Class/classes Involved : - Elite Club Students

No of Participants : 12

Venue : B.Ed. Hall

In charge/organizer (Faculty) : Mrs.Savita Shinde

Introduction of Activity – Elite club will cater the specific needs of academically talented students (Class toppers). The club started with the vision to get students in University rankers list (Gold Medals) from each unit of AEF HE. The emphasis is on continuous improvements in academic performance. The badges distribution programme was scheduled at 10:00AM in B.Ed. hall. Students who were part of the club were asked to assemble at the scheduled timings. The programme started off with a University song. After that Club in charge Savita Shinde Madam told students the objective of Elite Club. The programme was then taken forward to give the badges of Elite Club members by the hands of principal madam and teachers. The program ended with National anthem.

Achievements/Benefits- Students got information about the objective and different activities of Elite Club.

Activity Date and Time : 31st Jan,2026 Time -10.00 am

Activity Title : Expert lecture on Smart Study Techniques

Resource Person : Dr.Parmeshwar Biradar

Details about resource Person: Dr.Parmeshwar Biradar is professor in ACBCS college. Having 12 years in MBA and BBA. He is QAG Head for Higher Education Institute of AEF. Sir provided consultancy in data analysis, hypothesis testing, HR function, career counselling etc. Sir authored 3 books for MBA and also his chapters are published in different Books. He has participated in more than 30 National, International seminars and workshops.

No. of Attendees : 20 Elite Club Members

Introduction (of Activity) : The AICESR Elite Club organized an expert session on the topic “Smart Study Techniques”, delivered by Dr. Parmeshwar Birdar. During the session, Dr. Birdar explained the importance of developing effective study habits, especially for professional teachers, as good study practices directly influence teaching quality and lifelong learning. He highlighted several practical study techniques, such as effective planning, selecting a suitable and distraction-free place for study, and keeping all required study resources ready before beginning. He emphasized that proper organization helps in saving time and improving concentration. Additionally, the speaker underlined the role of self-care and self-discipline in academic success. He advised students to manage study timings wisely, maintain a positive attitude, and practice consistency in learning. He also encouraged learners to share knowledge with peers, as sharing information strengthens understanding and builds confidence. Overall, the session was highly informative and motivating, providing valuable guidance on adopting smart study techniques for academic and professional growth.

Activity Title : Expert lecture on Socio-Emotional Learning: Building Resilient Students
Resource Person : Dr. Priti Sonar

Details about resource Person: Dr. Priti Sonar is a distinguished educationalist, author, and motivational speaker with rich experience in teacher training, student development, and emotional well-being. She holds dual Ph.D. degrees in Education and Commerce and has trained thousands of teachers and students across India. Her work focuses on resilience building, life skills, and holistic education.

No. of Attendees : 13 Elite Club Members

Introduction (of Activity) : The expert session “Building Resilient Students” helps learners understand their emotions, manage stress, and respond positively to challenges. Through guided interaction and reflection, students learn to balance emotions with academic demands, leading to holistic personality development. Lecture strengthens emotional resilience, improves self-confidence, and enhances students’ ability to handle pressure. It supports better decision-making, positive behaviour, and academic performance, ultimately contributing to students’ mental well-being and lifelong success. The lecture on “Socio-Emotional Learning: Building Resilient Students” was highly interactive and motivating. Students actively participated by asking insightful questions related to stress management, emotional balance. They shared that the session helped them understand how to stay emotionally balanced during exams and boosted their self-confidence. The practical tips provided for handling pressure and approaching examinations with a positive mind-set were especially appreciated. The lecture concluded on a positive note with a formal vote of thanks.
