Introduction (of Activity) :

Research creates new knowledge, insights, and imparts excitement, vibrancy, and dynamism in educational process. Research culture and academic integrity need to be promoted amongst students. As a part of the quality mandate, Ashoka Education Foundation has proposed this scheme to instil research culture amongst the students under the guidance of faculties. SRPS focuses on solution-driven research by addressing the needs of local/ regional communities and possibly the national as well as international priorities.

This is the 4th year of Student Research Project Scheme Competition. This year too the competition day started with a brief introduction about Student Research Project Scheme. Then the eminent judges were introduced and felicitated. One by one all the teams presented their research projects to the judges. Some of the research topics were A study on the awareness of

government schemes by small and marginal farmers, Development of Holistic Feminine Well-being program for Tribal girls and checking its effectiveness, A study of effectiveness of value activities on 7th standard students in Horizon Academy. After the presentation, questions were asked by the resource persons to all the participants. There were 7 teams with 7 different topics. All the presentations were highly appreciated by the judges and the results were announced after that with valuable feedback.

Results are as follows-

Rank 1- Ms. Anisha Birla and Ms. Christina Peddy- Development of Holistic Feminine Well- being program for Tribal girls and checking its effectiveness.

Rank 2- Ms. Kajal Pillai and Ms. Kajal Singh- A study on the awareness of government schemes by small and marginal farmers

Rank 3- Ms. Shifanaaz Pathan and Ms. Samiksha Avhad- A study of effectiveness of Role Play Method for creating awareness on Good Touch and Bad Touch among MNC school children in Nashik.
